

Says Drink Water If You Wish to Grow Fat and Plump

THIN MEN AND WOMEN

Do You Want to Get Fat and Be Sure?

The trouble with most thin folks who wish to gain weight is that they insist on drugging their stomach or stuffing it with greasy foods; rubbing on useless "flesh creams," or following some foolish physical culture stunt, while the real cause of thinness goes untouched. You cannot get fat until your digestive tract properly assimilates the food you eat. Drink a glass of cold water four or five times a day and take the following preparation known to reliable druggists almost everywhere, which seemingly embodies the missing element needed by the digestive organs to help them convert food into rich, fat-laden blood. This preparation is called Tassco, and much remarkable testimony is given as to its successful use in flesh building. Tonneline which comes in the form of a small non-injurious tablet, taken at meals and mixed with the digesting food, tends to prepare fat, flesh and muscle building elements so that the blood can readily accept and carry them to the starved portion of the body. You can readily picture the transformation that additional and previously lacking flesh making material should bring to your cheeks, filling out hollows about your neck shoulders and bust disappearing, and your taking on from 15 to 30 pounds of solid healthy flesh. Tonneline is harmless, inexpensive, efficient. All druggists have it and are authorized to refund your money if weight increase is not obtained as per the guarantee found in each large package.

Caution:—Tonneline is recommended only as a flesh builder and while excellent results in cases of nervous indigestion, etc., have been reported, care should be taken about using it unless a gain of weight is desired.

S. H. Johnson came into the Globe office Tuesday wreathed in smiles and announced that it was an utter impossibility for the Germans to win. When asked his reasons stated that a bounding boy had just made his arrival at his house and that such a child would certainly grow up and lick the dastardly Germans. Mother and child both doing nicely.

Key Chapel M. E. Church is being kept alive. 'Twas a beautiful sight to see the large crowd that gathered into the church and yard at 11 o'clock July 22 for baptism. At 21 o'clock all were being whirled down to Jordan River and on the river side Rev. Sister Mitchell preached a lovely sermon. "We have seen strange things today." At 2 p. m. she walked into the river accompanied by her beloved pastor, Rev. Gordon, and assisted him in baptizing sixteen candidates. The baptizing was beautifully conducted. So expressed by all who were present. The singing by her during the baptism was grand. She also preached to a crowded house at night and was so full of the Spirit and so physically strong that it caused all to feel that "God is taking care of us." Sunday night, July 29th, she was with us again in our rally. Text, "Christ, the Great Leader." The captain of club No. 13 led financially. Rev. Gordon and members are delighted with the grand work the Rev. Sister Mitchell has done for our church. Our District Conference was held at Liberty last week.
